

THE WILSON SURVEY GROUP, INC.  
PROFESSIONAL LAND SURVEYORS

To All Existing and Future Clients:

I am writing this letter to make an important and heartfelt announcement. I have made the decision to retire and have stepped away from the daily operation of The Wilson Survey Group.

I am pleased to announce that my practice has now joined FMS Surveying, Inc., a well-established and respected firm owned by Scott R. Sheridan, P.E., R.P.L.S. and Jason P. Sheridan. Their team upholds the same standards of accuracy, professionalism, and personal service that I have always strived to provide. I am confident that their leadership will ensure you continue to receive high-quality surveying services for all future needs.

As part of this transition, my trusted support team, Chris Hendrick, S.I.T. and Charlie Castillo have joined FMS Surveying, Inc., as well. Their experience and familiarity with our clients will help provide continuity and a smooth handover for ongoing and upcoming projects.

FMS Surveying is fully prepared to assist you. You may reach them at:
